

What a roller coaster ride in 2020! We are pleased to say that through it all the **Brain Injury Resource Center of Wisconsin** has stayed strong, doors open, and accessible to brain injury survivors. We are proud of our **volunteer staff** and all those who worked to keep everyone safe and are committed to serving the community.

We invite you to join us as we **REACH FOR THE STARS** in 2021!

On Saturday, May 15 we will be hosting the **3rd Annual BIRCoFWI Vendor and Craft Fair**.

Since we are an organization comprised of all volunteers and are not federally, state, or in any way government funded, we depend **100% on donations and support from individuals and organizations.**

This event is a fundraiser for our organization and proceeds directly support our programs and services. Here are just a few highlights:

Follow me and see how **DONATION DOLLARS** are hard at work

We are excited to share that even though the **Unmasking Brain Injury Project** started out slow in 2020, we were able to display it at our annual picnic and it will be continuing in to 2021. Completed masks will be on display at our upcoming **May 15, 2021 3rd Annual Craft and Vendor Fair Fundraiser!**

Our **Art and Craft classes** (an offering through our **Mark Schmitts Creativ/Edge Art Studio**) will begin in April 2021 and run every month through November 2021. These creations are eligible for sale in BIRC Gifts if the participant chooses to donate them to the organization.

Our **BI-INSIDE Magazine** (online publication) is going strong and features articles written by a survivors, caregivers, professionals, and individuals knowledgeable about living life after brain injury.

This Magazine is the only one in Wisconsin dedicated to providing information to brain injury survivors, families, caregivers, and anyone else living life after brain injury.
