

# Driveway

The Blue Lotus Center driveway is  $\frac{3}{4}$  mi. long with several turns. Please note the driveway is for one way traffic, so if encountering another car, please use one of the several turn out areas to allow other cars to pass. Mirrors are installed to view around tight curves. Please proceed slowly.

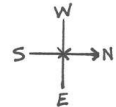

# Parking

For groups with less than 10 vehicles or for handicapped parking with larger groups, there are parking spots near the red barn and pool.

Please do not park by the pavilion, in front of the barn doors, or on the grass by the farmhouse.
